Special Amusement Ordinance

ARTICLE I Title. Purpose & Definitions

TITLE

This Ordinance shall be known and may be cited as the Special Amusement Ordinance of the Town of Woolwich, Maine.
PURPOSE

The Purpose of this Ordiance is to control the issuance of special permits for music, dancing or entertainment in facilities licensed by the State of Maine to sell liquor as required by 28 MRSA 702. DEFINITIONS

- A. Entertainment: For the purposes of this Ordinance, "entertainment" shall include any amusement, performance, exhibition or diversion for patrons or customers of the licensed premises whether provided by professional entertainers or by full-time or part-time employees of the licensed premises whose incidental duties include activites with an entertainment value.
- B. Licensee: For purposes of this Section, "licensee" shall include the holder of a license issued under the Alcoholic Beverages Statutes of the State of Maine, or any person, individual, partnership, firm, association, corporation, or other legal entity, or any agent, or employee of any such licensee.

ARTICLE II

PERMIT REOUIRED General

No licensee for the sale of liquor to be consumed on his licensed premises shall permit, on his licensed premises, any music, except radio or other mechanical device, any dancing or entertainment of any sort unless the licensee shall have first obtained from the municipality in which the licensed premises are situated a special amusement permits signed by at least a majority of the municipal officers.

Applications for all special amusement permits shall be made in writing to the municipal officers and shall state the name of the applicant; his residence address; the name of the business to be conducted; his business address; the nature of of his business; the location to be used; whether the applicant has ever had a license to conduct the business therein described either denied or revoked and, if so, the applicant shall describe those circumstances specifically; whether the

applicant, including all partners or corporate officers, has ever been convicted of a felony and, if so, the applicant shall describe specifically those circumstances; and any additional information as may be needed by the municipal officers in the issuing of the permit, including but not limited to a copy of the applicant's current liquor license.

No permit shall be issued for any thing, or act, or premises, if the premises and building to be used for the purposes do not fully comply with all ordinances, articles, bylaws, or rules and regulations of the municipality.

The fee for a special amusement permit shall be \$25.00.

The municipal officers shall, prior to granting a permit and after reasonable notice to the municipality and the applicant, hold a public hearing within 15 days of the date the request was received, at which the testimony of the applicant and that of any interested members of the public shall be taken.

The municipal officers shall grant a permit unless they find that issuance of the permit will be detrimental to the public health, safety or welfare, or would violate municipal ordinances, or rules and regulations, articles, or bylaws.

A permit shall be valid only for the license year of the applicant's existing liquor license.

SUSPENSION OR REVOCATION OF A PERMIT

The municipal officers may, after a public hearing preceded by notice to interested parties, suspend, or revoke any special amusement permits which have been issued under this Ordinance on the grounds that the music, dancing, or entertainment so permitted constitutes a detriment to the public health, safety, or welfare, or violates any municipal ordinances, articles, bylaws, or rules and regulations.

RULES AND REGULATIONS

The municipal officers are hereby authorized, after public notice and hearing, to establish written rules and regulations governing the issuance, suspension, and revocation of special amusement permits, the classes of permits, the music, dancing, or entertainment permitted under each class, and other limitations on these activities required to protect the public health, safety and welfare. These rules and regulations may specifically determine the location and size of permitted premises, the facilities that may be required for the permitted activities on those premises, and the hours during which the permitted activities are permitted.

Such rules and regulations shall be additional to and consistent with all sections of this Ordinance.

PERMIT AND APPEAL PROCEDURES

Any licensee requesting a special amusement permit from the municipal officers shall be notified in writing of their decision no later than fifteen (15) days from the date his request was received. In the event that a licensee is denied a permit, the licensee shall be provided with the reasons for the denial in writing. The licensee may not reapply for a permit within 30 days after an application for a permit which has been denied.

Any licensee who has requested a permit and has been denied, or whose permit has been revoked or suspended, may within 30 days of the denial, suspension or revocation, appeal the decision to the municipal board of appeals as defined in 30 MRSA 2411. The municipal board of appeals may grant or reinstate the permit if it finds that the permitted activities would not constitute a detriment to the public health, safety, or welfare, or that the denial, revocation or suspension was arbitrary or capricious, or that the denial, revocation, or suspension was not based by a preponderance of the evidence on a violation of any ordinance, article, bylaw, or rule or regulation of the municipality.

ADMISSION

A licensed hotel, Class A restaurant, Class A tavern or restaurant malt liquor licensee who has been issued a special amusement permit may charge admission in designated areas approved by the municipal special amusement permit.

ARTICLE III

PENALTY, SEPARABILITY & EFFECTIVE DATE PENALTY

Whoever violates any of the provisions of this Ordinance shall be punished by a fine of not more than \$100.00 for the first offense, and up to \$500.00 for the subsequent offenses, to be recovered, on complaint, to the use of the Town of Woolwich.

SEPARABILITY

The invalidity of any provision of the Ordinance shall not invalidate any other part.

EFFECTIVE DATE

This ordinance shall become effective upon the date of adoption by the Town.

Warrant of Town Meeting

SAGADAHOC, S.S.

To Leah Harmon, a constable of the Town of Woolwich in the County of Sagadahoc and State of Maine.

GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the voters of the Town of Woolwich in the said County, qualified by law to vote in town affairs, to meet at the Woolwich Central School in said town on Friday the 7th day of March A.D. 1980 at 2 o'clock in the afternoon then and there to act on Articles numbered 1 and 2.

And to notify and warn said voters to meet at Woolwich Central School in said town, on Saturday the 8th day of March A.D. 1980 at 10 o'clock in the forenoon, then and there to act on Articles numbered 3 through 55, all of said articles being set out to wit:

- Art. 1. To elect a moderator to preside at said meeting.
- Art. 2. To elect a Town Clerk, to elect Selectmen, Assessors, and Overseers of Poor, to elect a Town Treasurer, to elect a Tax Collector, to elect a Road Commissioner, to elect one member of the School Board for three years.

POLLS CLOSE AT 7:30 P.M.

- Art. 3. To elect a Fish Commissioner for a term of five years.
- Art. 4. To see if the Town will vote to fix the date of Ooctober 1, 1980 when taxes are due and payable and see if the Town will fix the rate of interest on taxes unpaid after Sept. 30 1980 at 10 percent per annum.
- Art. 5. To see if the Town will authorize the Selectmen to apply \$35,000.00 of unappropriated surplus to the tax commitment.
- Art. 6. To see if the Town will authorize the Selectmen to apply \$50,000.00 of excise tax receipts to the tax commitment.
- Art. 7. To see if the Town will raise and appropriate the sum of \$1,000.00 for a Clerical Assistant.
- Art. 8. To see what sum of money the Town will vote to pay the Town Officers for the ensuing year.

Art. 9. To see if the Town will raise and appropriate the sum of \$ 19500,00 for the Town Officers account for the ensuing year.

- Art. 16. To see if the Town will raise and appropriate the sum of \$300.00 to be paid to the Patten Free Library to provide all year round residents with full library membership.
- Art. 17. To see if the Town will vote to raise and appropriate the sum of \$600.00 for the support of Operation Sea-Me.
- Art. 18. To see if the Town will vote to raise and appropriate the sum of \$1,368.00 for the support of the Bath-Brunswick Mental Health Association, Inc.
- Art. 19. To see if the Town will raise and appropriate the sum of \$100.00 to help with the maintenance and upkeep of Shea's Kennel in Wiscasset.
- Art. 20. To see if the Town will vote to raise and appropriate the sum of \$500.00 to update the Property Tax Maps.
- Art. 21. To see if the Town will vote to raise and appropriate the sum of \$1.554.00 to support the Jessie Albert Memorial Dental Clinic.
- Art. 22. To see if the Town will raise and appropriate the sum of \$200.00 for the Elmhurst Association for Retarded Citizens, Inc.
- Art. 23. To see if the Town will raise and appropriate the sum of \$1,871.96 to pay the City of Bath for ambulance service from Jan. 1, 1980 to June 30, 1980 to correspond with their fiscal year.
- Art. 24. To see if the Town will raise and appropriate the sum of \$2,369.52 to pay the City of Bath for ambulance service and authorize the Selectmen to sign a contract for 1 year beginning July 1, 1980.
- Art. 25. To see if the Town will raise and appropriate the sum of \$50.00 for flags and holders for veterans' graves.
- Art. 26. To see if the Townspeople will raise and appropriate \$1,069.24 for the payment of dues for legal counsel for Maine Municipal Association.
- Art. 27. To see if the Townspeople will vote to raise and appropriate the sum of \$27,500.00 for a revaluation of the Town.
- Art. 28. To see if the Town will raise and appropriate \$200.00 for WCBB-TV.
- Art. 29. To see if the Town will raise and appropriate \$2,500.00 for completion of the Salt Shed.
- Art. 30. To see if the Town will raise and appropriate \$5,000.00 for a Bush Account for cutting brush along Town roads.
- Art. 31. To see if the Town will raise and appropriate six units for State Aid Road Reconstruction (\$11,190.00).

- Art. 32. To see if the Town will raise and appropriate the sum of \$1,950.00 to pay the Auditor.
- Art. 33. To see if the Town will raise and appropriate the sum of \$2,500.00 to be placed in a fund for future repairs to the Town House.
- Art. 34. To see if the Townspeople will vote to give the Selectmen authority to remove funds from the Town House fund for emergency repairs (vandalism).
- Art. 35. To see if the Town will vote to raise and appropriate the sum of \$3,500.00 for the lawn tractor, mower and other related equipment to be used for the maintenance of the Woolwich Recreation Area and other municipal properties.
- Art. 36. To see if the Town will raise and appropriate the sum of \$1,500.00 for the purchase of lime, fertilizer and other maintenance related materials and labor for use on the Woolwich Recreation Area.
- Art. 37. To see what action the Town will take in regard to the Alewives privileges at Nequasset for the coming year.
- Art. 38. To see what action the Town wants to take regarding the remaining balance plus interest in the Pumper Sinker Fund (\$3,445.12 plus).
- Art. 39. To see if the Town will vote to authorize the Selectmen in behalf of the Town to sell and dispose of any real estate acquired by the Town for non-payment of taxes, on such terms as they may deem advisable and execute Quit Claim Deeds on same.
- Art. 40. To see if the Town will hear the report of the Municipal Building-Fire Station Committee.
- Art. 41. To see if the Town wishes to build a combined municipal building-fire station.
- Art. 42. To see if the Town wishes to build a fire station and renovate the former Dubar house for municipal offices and meeting rooms.
- Art. 43. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 for an architectural survey of renovations to the former Dubar house.
- Art. 44. To see if the Town will form a committee to supervise renovations of the former Dubar house.
- Art. 45. To see if the Town will vote to sell the former Dubar house and outbuildings and have the buildings removed from the property.

- Art. 46. To see if the Town will vote to raise and appropriate the sum of \$2,500.00 for the surveying and contour mapping of the fire station lot.
- Art. 47. To see if the Town will vote to authorize the fire station-municipal building committee to take bid proposals and make preliminary applications for construction and/or renovation financing.
- Art. 48. To see what action the Town will take regarding the entrance to the Sagadahoc Business Development (Arc). proposed industrial park.
- Art. 49. To see if the Town will vote to raise and appropriate the sum of \$750.00 for the use of the Planning Board (legal service, public notices and other minor expenses).
- Art. 50. Shall an ordinance entitled "Special Amusement Ordinance" be enacted?
- Art. 51. To see if the Townspeople will vote to amend the Woolwich Development Planning Ordinance: Article X, Section F to read, Board of Appeals: The Board of Selectmen shall appoint a Board of Appeals which shall consist of five members and two associate members. The term of office of a member is 5 years, but initial appointments shall be made for 1, 2, 3, 4 and 5 years, respectively. The term of office of an associate member is 5 years, but initial appointments shall be 4 and 5 years respectively. A municipal officer may not be a member or associate member of a Board of Appeals. When a member is unable to act because of interest, physical incapacity or absence from the State, the associate member shall act in his stead. The Board of Appeals shall elect a chairman and secretary from its own membership. The Board of Appeals shall abide by the restrictions of Article X, Section J.
- Art. 52. To see if the Townspeople will vote to amend the Woolwich Development Planning Ordinance: Article X, Section J to read: Board of Appeals where Planning Board and/or Board is mentioned.
- Art. 53. To see if the Townspeople will vote to amend the Woolwich Development Planning Ordinance: Article X, Section L to read: Delete all references to Variances.
- Art. 54. Shall an Ordinance entitled "Amendment to Subdivision Moratorium Ordinance" be enacted?

Amendment to Subdivision Moratorium Ordinance

- 1. The Subdivision Moratorium Ordinance enacted March 3, 1979, which prohibited all subdivisions for a term of one (1) year, be extended one (1) additional year until the annual town meeting in March 1981, or until the adoption of a new Comprehensive Plan, Zoning Ordinance and Subdivision Ordinance.
- Art. 55. To see if the Town will vote to raise and appropriate the sum of \$200.00 for the use of the Board of Appeals (public notices and other minor expenses).

The registrar of voters will be available at the meeting to register and to correct the voting list.

Here of fail not and make due returns of this warrant with your doings thereof to the Town Clerk and place of holding said meetings.

Given under our hands this 11th day of February A.D. 1980.

Sylvia M. Carlton Robert D. Allen, Jr. Lyle T. Bailey

Attest:

Cynthia A. Barter Clerk

Notice to Taxpayers

"Important Notice"

All taxpayers should read the following requirements and comply with them to protect their own interest.

TITLE 36, Section 706, M.R.S.A. 1964

Before making an assessment, the assessors shall give reasonable notice in writing to all persons liable to taxation in the municipality to furnish to the assessors true and perfect lists of their polls and all their estates, not by law exempt from taxation, of which they were possessed on the first day of April of the same year.

The notice to residents may be given by posting notifications in some public place in the municipality or in such other way as the municipality directs.

The notice to non-residents may be by mail directed to the last known address of the taxpayer or by any other method that provides reasonable notice to the taxpayer.

If any person after such notice does not furnish such list, he is thereby barred of his right to make application to the assessors or the county commissioners for any abatement of his taxes, unless he furnishes such list with his application and satisfies them that he was unable to furnish it at the time appointed.

The assessors or any of them may require the person furnishing the list to make oath to its truth, which oath any of them may administer, and any of them may require him to answer in writing all proper inquiries as to the nature, situation and value of his property liable to be taxed in the State and a refusal or neglect to answer such inquiries as to the nature, situation and value of his property liable to be taxed in the State and a refusal or neglect to answer such inquiries and subscribe the same bars an appeal to the county commissioners, but such list and answer shall not be conclusive upon the assessors.

VETERANS-GENERAL REQUIREMENTS FOR ANY EXEMPTION

A Veteran to be exempt from any taxation must in any case:

1. Be a legal resident of the State of Maine;

- 2. Have been a legal resident of this state when entering military service; or
- 3. Have been a legal resident of this state for at least a total of 10 years (not necessarily consecutive) prior to making claim for exemption;
- 4. Have notified in writing the assessors of the municipality in which he resides of his claim for exemption and furnish proof of his entitlement on or before April 1. (Such notification, once made, need not be repeated in subsequent years.)
 - 5. Has reached the age of 62 years; or
- 6. Is receiving a pension or compensation from the U.S. Government for total disability, either service or non-service connected, as a veteran.

Selectmen's Comments

We used Town Road Improvement money for the rebuilding of the town road from the old Frank Bailey farm beyond Mrs. R. J. Mahers on the Barley Neck Rd.

The reason for the Contingent Account to be over drawn is because of lawyers fees with the Central Maine Power case.

Report of the Superintendent of Schools

I hereby submit my annual report to the school committee, town officials and other citizens of Woolwich.

The school budget will be voted on at a meeting in May because by law public schools are on the State fiscal year July 1 - June 30. Although the school committee is responsible, I feel certain the budget will be quite a bit higher this year because of uncontrlable items such as oil, bus contracts, electricity, maintenance, State set tuition rates, and the school committee is negotiating a new master contract with the teachers association. There is also concern among school people that the State will be providing less subsidy. Woolwich presently receives \$392,857.66 in State subsidy, which is 53.7% of the budget.

School children and staff members are very aware of energy conservation. Under the guidance of your principal and school board members efforts are being made to curtail energy consumption. You have also noticed the excellent condition of the building. Work by the custodial staff is of high quality.

The new playground is being well received by your students. Many citizens were involved in this project.

I wish to publicly thank the school committee and town officials, particularly Cynthia Barter, for assisting with the recent crisis when the bus contractor defaulted on his contract.

There may be an article in the March town meeting to ask for extra funds to be placed in Line 500, Transportation, because this line may be significantly overdrawn. We will know our financial picture better as the year moves on.

New Municipal Complex Committee Report

The New Municipal Complex Committee has been meeting 2 to 4 times each month since its inception in March of 1979.

The first duty we had to contend with, was the selection of possible sites for the new complex, and to report our findings to the June town meeting. We discussed our findings on at least 10 sites and narrowed our selection for presentation to the townspeople down to 3 different possibilities that met our criteria.

The sites considered were the hay lot in the ferry, the lot in the proposed Industrial Park, and the Dubar lot. By a 2 to 1 margin, you the townspeople chose the Dubar lot.

August and September found us discussing the possible layout of the site and uses for the house. Then we were told that an unprecedented third town meeting would be required to properly obtain the Dubar lot by authorizing the selectmen to use the "Building Funds" to purchase the house and lot. This was approved overwhelmingly by the townspeople at a very crowded special town meeting.

We have since then been involved with many aspects of the new site. Once acquisition by the town took place, we asked for, but had not 1 volunteer to help us do some required work to the house after the Dubars moved out, so the committee did all the required cleaning and repairs to prepare the building for an open house.

Open House day found the committee short of help and mobbed by at least 100 interested preservationists in a 3 hour period. We listened intently and questioned an many people as we could, while others enjoyed fresh cider and homemade brownies and cookies.

We are now working on, and completing, proposed drawings for the new complex. One uses the Dubar House as a municipal building with fire station beside it, the other with everything under 1 roof.

We have also talked with 2 financial facilities regarding money, requirements for this project. At this year's March Town meeting we will present our findings to you, and seek direction and recommendations from you, so we will be able to return in June with final

plans, and if you wish, bid costs for construction of the project which could begin this late summer.

In closing I say this as chairman: for 7 years this project has been kicked around, which should not have happened. The firemen, who are now overwhelmingly behind this project, with some ingenuity have managed to keep the old firehouse from literally falling down on \$100,000.00 worth of our equipment.

The year 1980 will be the beginning for our town to commit itself to this project and to look ahead to the future and the many more projects that are before us. The time to start is *now* or *never*.

Respectfully submitted by: HOWARD KIRKPATRICK, JR. Chairman: New Municipal Complex Committee

Committee Report

Subdivision Moratorium Committee

Residents of the Town, faced with rapidly expanding subdivision and other development activity, voted at the 1979 town meeting to enact a one-year moratorium on subdivision activity in order to gain time to improve the land use control capabilities.

The Moratorium Committee arranged for a contract between the Town and the Southern Mid Coast Regional Planning Commission for the purpose of assistance in the area of ordinance review and revision, resource mapping, community opinion survey and Comprehensive Plan review and update. Federal funds in the amount of \$5,500.00 have been made available for the project which, according to the terms of the contract, runs from December 31, 1979 to September 30, 1980.

One of the major benefits to be derived from this contract will be a series of overlay maps identifying the natural and institutional resources. This land use element, to be included in the final Comprehensive Plan, will be a valuable planning tool to facilitate the administration of town ordinances. These maps will cover topography, soils information, land use and property ownership, zoning, water resources, and other pertinent data.

The Committee recommends an extension of the Subdivision Moratorium for one year to allow sufficient time to gain the benefits from the contract with Southern Mid Coast Planning. Public meetings will be held during the year to present results of the different sections of the project.

James Day Chairman

Report of the Fire Department

During the year 1979 the Town of Woolwich had a total of 49 calls to its fire department. This is 10 more than for the same period during 1978.

- 21 House and Chimney
- 10 Car Fires
- 9 Grass and Woods Fires
- 3 Dump Fires
- 2 Power Lines Down
- 1 Bomb Scare
- 3 Gas Spills and Car Accidents

There were two out-of-town fires to Arrowsic, both woods fires of which the Town of Woolwich was reimbursed for all costs of labor.

The department has purchased a number of new items that may be of interest to the townspeople:

- 1 4 inch pressure relief dump valve
- 1 4 inch to $2\frac{1}{2}$ inch Y
- 2 4 inch to 4½ inch adaptors
- 300 feet of new 4 inch hose

The new Ford Pumper arrived during the late part of this past summer and has been placed into service, equipment from the old number one pumper along with some new items were used to equip this new piece of apparatus.

By sealed bid the selectmen sold the 1957 Jeep chassis and, at this time, the town still retains the old Rural Firefighter.

New radios have been placed in three trucks. Cost for this was shared by the town and the firemen. This was done because a radio was needed for the new truck and two of the military vehicles which require special voltage equipment. In the near future the present base radio will need to be replaced to up-grade and provide adequate communications throughout the town.

PROPOSED BUDGET 1980

Insurance	1200.00
Telephones & Red Net	750.00
Heat	1200.00
Lights & Siren	200.00

Hose Replacement	300.00
Gas & Oil	400.00
Emergency Fund	300.00
Truck Maintenance	550.00
Water	60.00
Men & Outside Aid	2000.00
Clothing	275.00
Building Maintenance	500.00
Communications	360.00
Fire Prevention	25.00
Chief's Salary	600.00
Total Budget	8720.00

The year 1979 did begin with a lot of different types of fires, but because we were able and fortunate to contain them quickly, the costs were maintained at a relatively low level. Therefore, in anticipation of a more fire free year during 1980, the department feels there is no need at this time for an increase in the department budget.

Members of the department have attended several fire schools which have covered such topics as fire management, handling of hazardous materials, fire attack planning, to wood stove installation and inspection. The department extends to all townspeople of Woolwich, chimney and wood stove inspections if they so desire. If interested, please call 443-6303 to make appointments.

Any Townsperson wishing to contact the chief, please call 443-6303 or if there is a need to report a fire, 443-4212, which is the Red Net Fire Phone number.

I would like to take this time to thank all Townspeople for their cooperation, the fire commissioners, and department members. I hope that 1980 will be a prosperous and fire free year for the Town of Woolwich, thus resulting in great savings to the townspeople of Woolwich.

Respectfully submitted, CLIFTON GIVEN, Chief Woolwich Fire Department

Fire Warden's Report

There were 9 woods and grass fires during the year 1979. There were also 3 dump fires reported to me during this same period.

As Fire Warden, I have issued 101 fire permits. All permits must be picked up at my home and signed for before any burning is done. All persons must have their permits with them at the time of burning except when there is snow cover on the ground.

The incinerator law still requires burning after five p.m.

I wish to thank the townspeople of Woolwich and the Woolwich Fire Department for their cooperaton in helping to keep the Town of Woolwich Green.

Respectfully submitted, Clifton Given Fire Warden Town of Woolwich

Civil Defense Report for 1979

As this report goes to the printers your Civil Defense Director along with other Town Official have been spending many hours meeting with State Officials on a new evacuation plan in the case of a nuclear incident at the Yankee Atomic Plant in Wiscasset. With the Five Island incident new guidelines were handed down from Washington and the State Legislature turned the authority for preparing a plan over to the Office of Emergency Preparedness in Augusta. As soon as this plan is available please make youself familar on proper procedures.

As if this wasn't enough another evacuation plan is being prepared in the case of a national emergency. This plan is separate from the above plan. Clifton Given and myself spent two days at Brunswick on this plan last spring. Since this time we have had several meetings with the Selectmen and State Officials. This plan is still in the preliminary planning stage and should be available come summer time.

The Woolwich Police Reserves under the direction of Dennis Smith, Chief, have been active during the year. We meet on the last Sunday evening of the month at the firehouse. Any townspeople interested in joining are welcome at any time.

A new radio from Sagadahoc County E.O.C. has been received and is housed at the fire station. This will give us direct communications with Sagadahoc County and also provide a mobile unit if needed. This radio was received at no cost to the town.

A group of Police Reserves and Firemen spent a Sunday last summer touring the Yankee Atomic Plant. All that went were impressed with the safeguards being practiced by officials at the plant.

Once again I am asking the Town to raise \$525.00 for Civil Defense for the coming year. This is the amount recommended by the State of Maine and keeps us available for any federal or state programs. All Federal and State forms were submitted on time.

Finally I want to thank the Woolwich Selectmen for their complete cooperation during the past year. We have spent many, many hours discussing policies with State Officials. My thanks to Clifton Given, fire chief who has taken an active part in the Civil Defense program.

Respectfully submitted

John McPhail Jr., Director

1979 Fish Commissioner's Report

The Commissioners met on several occasions this year. John Chapman was elected to serve as Chairman.

On March 31, 1979, the fishing rights were awarded to Herbert Lilly, Jr., for \$2100. Mr. Lilly reported that the catch of alewives was 2450 bushels with an approximate value of \$7,000. The catch continues to increase in quantity each year, an encouraging trend.

The Commissioners for \$375. contracted with Walter Smith to rebuild the foundation of the smokehouse, and, in joint cooperation with Mr. Lilly, to convert the stairs from wood to concrete.

On August 6, 1979, the commissioners and the selectmen met with the Trustees of the Bath Water District to discuss various methods of reducing trespass and vandalism. Much concern was also expressed over the matter of public safety on and about the dam.

Respectfully submitted, John Chapman Robert DeWick Richard McElman, Sr. Hollis Leeman Chester Leeman

Report of the Plumbing Inspector

FOR YEAR 1979

A total of 60 permits were issued	in the following categories
Private Sewage	37

Report of the Building Inspector

FOR YEAR 1979

A total of 44 permits were issued in the following	ig categories
House	20
Mobile Homes	6
Additions	4
Commercial	2
Outbuildings	12
Total	44

Respectfully submitted, DAVID P. HODGDON Building Inspector

Report of the Road Comissioner

SNOW ACCOUNT

The sand was put out to bid for a price of \$3.35 per yard for a total price of \$11,000. Low bid was by Harry Crooker Inc. The cost of salt was \$5,146.82 for 162 tons. If the rest of this winter is not bad we will have a good amount of sand left.

We had some salt left over and it was put under cover in our new salt shed.

ROAD AND BRIDGE

We realize the Road and Bridge account is overdrawn but the roads badly needed the work.

A number of new culverts were installed and a few were lowered.

A considerable number of areas were ditched for proper drainage. The total spent for culverts was \$4,663.56. All culverts were installed in Town Roads. No culverts were purchased by townspeople.

The bridge going across Nequasset Outlet, to Philip McAloneys residence, had to have the traveled portion redone and 11 new planks underneath the traveled portion had to be replaced. A portion of the railing was repaired and a new fence was installed to stop the gravel from the road from being pushed into Nequasset Stream.

All dirt roads in Town were graded once in the spring and once in the fall.

We had a lot of problems with beavers plugging culverts and flooding roads. This problem cost us a lot of time and money from this account which we did not expect to expend.

TAR ACCOUNT

The Dana Mills Road and the Chops Cross Road were tarred for a total of \$36,420.01. There was a total of 4.0 miles tarred for a total of 1877.32 tonnage. Low bid went to Williams Construction of Gardiner. The new tar had to have some gravel installed for shimming and a grader was hired for shimming all newly installed tar. The remaining was put into tar patch and putting it in place.

Submitted by Selectmen

Recreation Committee Report

In the year 1979 the Woolwich Recreation committee came to maturity. The goal of providing the town with an all purpose, all season recreational facility was realized. The recreation committee was able to pool funding from local monies, state and federal grants for the planning and construction of this facility.

To ensure that this facility remains in its present condition, we request that the town look favorably to the articles related to the maintenance of the Woolwich Recreation area.

Respectfully submitted

Town House Committee Report

This has been a year of little activity. We only recently received word that money applied for from the Maine Historic Preservation Commission was not granted. Now we must look to other sources or reapply for money to be granted in 1981.

John Thorpe has done an excellent job preparing applications and keeping records for the committee.

The committee wishes to thank Mrs. David Soule for the fine work she did in planting flowers and ferns in front of the Townhouse building.

We hope that the townspeople will make an appropriation again this year to add to the fund created last year.

> John Bradley Robert DeWick Richard McElman, Sr. John Thorpe

Report of the Time & Tide Resource Conservation & Development Area

Time & Tide is a people program. It is sponsored and directed by the local people. It is a base for people to come together to plan and more important - develop and carry out projects focusing on natural resources.

The Program of Action has been supplemented and brought up to date. Supplement #4 gives an overview of the Time & Tide RC&D activities. Copies are available at the Time & Tide Office, Route #1, Waldoboro.

Through the efforts of people working together the following measures were completed this year: Woolwich recreation facility, Wiscasset Middle School water control and recreation, Owls Head tennis court, South Thomaston tennis courts, Boothbay boat ramp, Camden parking lot, Bremen recreation area, Harpswell Cemetery erosion control. There are also many measures that are in progress, such as: Lincolnville recreation, Rockland recreation, Rockport tennis, Boothbay Harbor community field, Bath recreation, Waldoboro public landing, Thomaston recreation and Warren tennis courts.

Some of the activities of the committees included development by the Energy Resource Committee of a firewood consumers guide. They have also developed an energy conservation project for mobile homes. The Forest Resource Committee has been active, holding many workshops and adult education programs at different schools. The Information Committee continues to publish a monthly newsletter sent to 1100 persons in the Time & Tide Area. The Ocean Resource Committee worked on promoting inexpensive fish ladders as well as providing information for fishermen. The Recreation & Tourism Committee held well attended snowmobile coordination meetings. The Soils & Land Use Committee held workshops on wastewater disposal. The spinoff of the Agriculture Resource Committee is the Mid-Coast Agricultural Resource Center (MARC), which helped to re-establish the Prison Farm in Warren.

Anyone who wishes may become part of the Time & Tide RC&D. If you're interested and want to know more, or think we can help, contact your town officials or the Time & Tide office, Route #1, Waldoboro, Maine 04572 or phone 832-5348.

Sincerely,
WALTER S. FOSTER
For the Council

Southern Mid-Coast Regional Planning Commission

January 8, 1980

Sylvia Carlton, 1st Selectman Barley Neck Road Woolwich, Maine 04579

Dear Mrs. Carlton,

The tidewater towns of this area are increasingly faced with troublesome situations, many of which are the result of extraordinary population growth along the Coast of Maine. One primary common concern is the disposal of solid waste and sludge in a manner that the towns can afford and which state officials will not disapprove. The growing complexity of Federal, State and local ordinances frequently need sorting out and updating. Water quality is in some towns being threatened. Enhancing economic development demands attention. In addition, each town has unique problems.

The Southern Mid Coast Regional Planning Commission shares your concerns in these matters. Insofar as it is feasible for us, and desired by you, we hope to cooperate in creative solutions.

The SMCRPC deeply appreciates the participation and support of many of the towns in the area and again this year deeply needs your town as a member of the Commission. Our basic membership dues are based on the town's state evaluation and the size of its population. Your dues this year are the same as last year, \$464.

In addition to your financial support we look forward to the active participation of your town by the appointment of the two representatives to voice the needs and the wishes of your town in Commission administration and planning.

If you as Selectmen, Planning Board members, or Conservation Commissioners have any particular situation or problem you wish to discuss, please feel free to call, or visit, our Executive Director Peter Ryner, at 443-9735.

Looking forward to your participation.

Sincerely, JOSEPH BARTH Chairman, SMCRPC

Conservation Commission Report

During the past year, the Woolwich Conservation Commission has been primarily concerned with the study of the Nequasset Outlet area done by the Southern Midcoast Regional Planning Commission. The Conservation Commission applied for and received funding for the project under the Maine Coastal Program. The study has dealt with questions of ownership, liability, safety, enforcement and possible improvement of the area.

The Conservation Commission also sponsored the annual roadside clean-up day. Co-operation of townspeople was greatly appreciated again this year.

In addition to regular Commission meetings, a member attended a meeting at Bowdoin College on farmlands in New England and

reported on it to the other members.

Finally, the Conservation Commission saw a side presentation by Clayton Carkin on the construction and operation of the Freeport Nature Trail as done by students. The Commission is trying to determine the feasiblility of construction of a nature trail at Woolwich Central School with participation of students.

Planning Board Report

This year has not been as busy as past years. We have had to do two subdivisions that were left over from last year.

We have proposed some changes (to conform to State law) in the warrant.

I expect in the new year the board will take on the new challenges that face us.

Respectfully submitted, FOREST J. YORK SR. Chairman

Community Health and Nursing Service

December 26, 1979

Ms. Sylvia Carlton First Selectwoman Town of Woolwich Barley Neck Road Woolwich, Maine 04579

Dear Ms. Carlton,

On behalf of the Board of Directors of Community Health and Nursing Services, I am requesting you to include the Agency's request for \$1,254 on the Woolwich Town Warrant for 1980. This amount represents a sixty cent (60) charge per resident of the town according to the estimated 1980 census. This is the same per capita charge requested and allocated in 1979.

For this sixty cents, residents of your town may utilize any or all of our services, regardless of their ability to pay. Our services include home care of the sick and convalescent by professional nurses, therapists and home health aides under physician's order. We also offer a variety of preventive health services, including health screening of children and adults, nutrition counseling and health education. Attached is an informatinal sheet which lists the services currently offered by the Agency.

Demand for and utilization of the Agency's services continue to increase. In the first ten months of 1979, homebound ill or convalescent residents of Woolwich received 288 home care visits. (176 nursing, 45 home health aide, 37 physical therapy, 15 occupational therapy, 7 speech therapy, and 8 social work visits.) The cost of these services to the Agency was \$7,998.

Jessie Albert Memorial Dental Clinic

December 17, 1979

Board of Selectmen Woolwich, Maine 04579

Dear Selectmen,

I am writing to you to request that your town appropriate funds to help meet the operating costs of the Jessie Albert Memorial Children's Dental Clinic for the fiscal year July 1, 1979 - June 30, 1980.

As a regional resource, the Clinic serves thirty-two towns, providing needed dental care to children of low income families. For the fiscal year 1978-79 the clinic treated a total of 811 children in 2261 appointments.

Of the children treated 42 were from Woolwich. They received 54 cleanings (which include x-rays, prophylaxis with fluoride, and an examination), 117 surfaces of fillings (a tooth has five surfaces which can decay), 6 extractions and 2 Root canals at 108 appointments. Miscellaneous services and referrals to specialists were provided as necessary.

The average cost per child for 1978-79 is \$37.00. On this basis I am asking that you include the following on your town warrant:

"To see if the town of Woolwich will raise and appropriate a sum not to exceed \$1554.00 for support of the Jessie Albert Memorial Children's Dental Clinic in order to provide dental services to eligible children of this town."

If you will please fill in and return the enclosed statement as to the time, date, and place of your budget committee and town meetings, I will try to have a Clinic representative present to answer any questions which you might have.

Also, please feel free to stop in at the Clinic for a visit. I think that you will be pleased with the way our town funds help the underprivileged children of your town through the efforts of this Clinic.

Sincerely, .
ANSLEY W. SAWYER, DDS
Clinic Director

Auditor's Report

February 4, 1980

Board of Selectmen Town of Woolwich Woolwich, Maine 04579

We have examined the balance sheet of the various funds of the Town of Woolwich, Maine at December 31, 1979 and the related statements of unappropriated surplus, departmental operations and cash receipts and disbursements for the year then ended. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying financial statements present fairly the financial position of the various funds of the Town of Woolwich, Maine at December 31, 1979 and the results of operations for the year then ended, in conformity with accounting practices generally followed by municipalities, applied on a basis consistent with that of the preceding year.

WILLIAM H. BREWER

COMMENTS

The system of internal control was reviewed pertaining to the handling of cash and other matters of financial concern. Cash in the bank was reconciled with the bank statements and direct confirmations. The records were checked to determine the accuracy of recorded transactions.

An analysis was made of receipts and deposits as well as expenditures and negotiated checks. Warrants and cancelled checks were examined on a selective basis. Confirmation requests were sent on a test basis to determine the accuracy of recorded taxes receivable.

Educational account balances were reconciled with the Superintendent of Schools. Warrants, payrolls and cancelled checks were examined to determine that charges were made to the proper departmental accounts.

The trust fund investments at December 31, 1979 were accounted for by inspection of the time deposits and confirmations from the savings institutions or commercial banks. We examined data in support of investment transactions and determined that all principal and income applicable to investments and all expenditures had been included in each fund.

State Aid Construction, Town Road Improvement, and Snow Removal Accounts were verified with the Department of Transportation, State Highway Division.

The Debt Fund, consisting of a \$125,000.00 note at 4.65% interest, is a separate fund used to finance the School Construction. The note has been reduced to \$37,500.00 at December 31, 1979 by payments in June 1979, 1978, 1977, 1976, 1975, 1974 and 1973. Three yearly installment payments remain at \$12,500.00 plus interest at 4.65%. The town is not obligated to appropriate funds for the note payments plus interest since the State reimburses the town for these expenditures.

The Federal Revenue Sharing Fund was reviewed as to receipts and deposits to the corresponding checking and savings accounts, as well as expenditures and negotiated checks. Entitlement payments were confirmed with the State Department of Audit, Augusta, Maine, and expenditures were compared with the appropriations made at the annual town meeting.

The Suspense Account shown on the balance sheet is the difference between the actual State Revenue Sharing received and the estimated amounts used to reduce the 1979 tax commitment. The amount of \$3,411.54 must be added to the 1979 estimated State Revenue Sharing and used to reduce the 1980 tax commitment.

An application for abatement has been filed with the Board of Selectmen for 1978 real estate valuation in the amount of \$2,991,430.00 by Central Maine Power Company. The tax abatement requested is approximately \$46,800.00. During July 1979, the town granted an abatement in the amount of \$19,678.88.
